

ask MARY

The Band: Formed in the summer of 2012, Ask Mary began as a group of friends who met at open-mic nights in the Detroit area. The joining of each member's various musical experiences and tastes, from pop, classic rock, Motown, 90's alternative and metal, has allowed the creation of an eclectic sound that appeals to fans of all ages and backgrounds. Ask Mary alters the perception of what it means to be a "cover band". Their sound is as original as it comes, appealing and fun, but powerfully edgy. Never afraid to metal up pop, or lay down some soul, they deliver the sound that Detroit has been longing for in a band. With years of experience in both original and cover projects, Ask Mary is wonderfully different, and consistently leaves their audience wanting more.

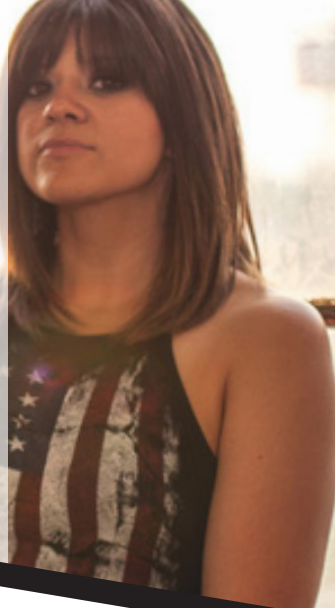

Experience: Members of Ask Mary have performed around the country on stages of all sizes including DTE Energy Music Theatre, The Staples Center in Los Angeles, Hard Rock Cafe in Atlantic City, and many local venues such as The Town Pump Tavern, The Pike Room, The Crofoot Ballroom, The Shelter, Hopcat, B. Boomers, The Oakwood, Cheli's Chili, The Post, Bierkeller, The Token Lounge, Clutch Cargos, and many more. Between the five members, their experience is vast and ranges from songwriting & recording, to competing on national stages with the best in the business.

The Show: Whether a festival, wedding, corporate event, a night out at the local watering hole, or an acoustic performance, Ask Mary provides top-notch entertainment that always leave a lasting impression.

Laura Rodriguez - Lead Vocals

As her Mom would say, Laura was singing before she could talk. Her love of music has allowed her to write, record & release her own solo album, perform in cover bands, musical theatre and become somewhat of a professional singing competition participant. She won the title of WDIV's "Super Singer" in '04, which allowed her to open for The Temptations & The Four Tops at DTE Energy Music Theatre, was invited to Executive callbacks for NBC's "The Voice", & competed on the televised auditions of Fox's "X-Factor - USA". She has lived all around the country but is proud to call herself a Detroit musician.

The Band

Adam Rodriguez - Guitar

Adam started playing guitar in '93 & was influenced by the hard hitting, power-chord driven grunge scene. The music of the late '90s & early 2000's didn't appeal to him, so he turned his musical clock back to the great music of the '60s, '70s & '80s, with favorites being The Beatles, Led Zeppelin & Paul Simon. Adam started playing in original bands in '99 & hasn't stopped since.

Eric (Z) Zimnicki - Bass Guitar

The coolest guy in the band. Listens to the metal mostly. In his spare time plays experimental funk licks on the bass (boom dingy snap pop). Sold his soul for Rock-and-Roll & now plays cover tunes for Ask Mary. Enjoys fine cheeses. Can't keep the ladies off of him. (This was written by Z.)

Jay Vance - Guitar

Sweet Jay Vance has been playing guitar for 25+ years. His influences are blues & classic rock & he has played in a number of bands and acoustic shows across the metro Detroit area. In addition to guitar, Jay plays drums, bass, & piano.

Chris Kaszuba - Drums

Chris has been playing drums for 21 years & singing for 7. He enjoys most styles of music & has vast experience playing all. Chris is heavily influenced by Motown & Funk & is currently honing his craft by attending the Detroit Institute of Music Education.
